

Spanish 1B Project (Due March 13)

Número _____

Keep this paper as you need to turn it in with your project. All information is to be written in Spanish.

On a poster board (either 20" x 30" or 22" by 28"), use the verb "ser" and "estar" to describe people and things.

Find 6 pictures that you could use with the following pronouns:

Yo

Él

Ella

Nosotros

Ellos

Ellas

Also include 4 pictures of:

An object with a masculine definite article (example: el libro)

An object with a feminine definite article (example: la pizza)

A group of objects with a masculine definite article (example: los tacos)

A group of objects with a feminine definite article (example: las ventanas)

This means you will have 10 pictures total. After you have glued your pictures on the posterboard, use the correct conjugation of the verb "ser" and an adjective to describe the people and things in the pictures. You may not repeat an adjective. Then, use the correct conjugation of the verb "estar" and an adjective to describe the people and things again. Again, you may not repeat an adjective. This means you will have a total of 20 sentences. You can use the adjectives on p144 of your textbook for "estar" and p165 for "ser"

Number your sentences in an orderly fashion from 1 to 20.

You will be graded on the following.

Are there 10 photos?
