

## **Mrs. Peterson's Late Homework Policy**

---

Missed assignments are denoted in my grade book as NHI, "Not Handed In" which carries a grade of 0%. If an assignment is not completed on time (by the tardy bell on the due date), the assignment can still be made up for partial credit. Students can earn back as much as 75% if the assignment is completed PRIOR to the chapter test for that assignment (marked as L, "Late"). Should the work come in AFTER the chapter test, it is assigned 25% of full credit (marked as VL, "Very Late").

**Requirement for Late Homework Submission** - The student who wishes to make up a missed assignment must come in to my classroom at lunch or after school to work on the assignment in my presence. This ensures that the assignment is not copied from another student's work. It is the responsibility of the student to check with me to make sure that I am available on the day they wish to come in at lunch or after school to work.

Other grades that can be improved by after school effort include:

NC - "Not Complete"

NE - "No Effort"

U - "Unexcused Absence"
